And so we are at last together again.

It is a great day for me, after so many

weeks of uncertainty and doubt. I am

overjoyed to be reunited with you.

Your departure was a difficult time for

me, but I knew that it was necessary for

the greater good.

I want to express my gratitude for your

support and encouragement during

this challenging period.

I cannot wait to spend more time with

you and to create new memories together.

Thank you for being a constant source of

love and strength in my life.

Yours sincerely,

[Your Name]

Hath the hand for ever the bow, that
Shall never cease to break the bow, till
That hand be laid upon it. The bow, then is
Made of two branches, the one on either side
Of the joint, the bow-string, as it were, being
Through the middle. But now let us turn to the
Archer, and to the bow, and consider how
A man, in every art, doth himself employ.

The bow, in every art, is the friend of man;
It is the friend of man, for it is the friend
Of every man; and every man is the friend
Of the bow, for it is the friend of man.

And in every art, the bow is the friend of man;
And the bow is the friend of man, for it is the friend
Of every man; and every man is the friend
Of the bow, for it is the friend of man.
